Form **W-4**

Department of the Treasury
Internal Revenue Service

Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
Give Form W-4 to your employer.
Your withholding is subject to review by the IRS.

OMB No. 1545-0074

2024

Step 1: Enter Personal Information

(a) First name and middle initial	Last name	(b) Social security number
Address		**Does your name match the name on your social security card?** If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to *www.ssa.gov*.
City or town, state, and ZIP code		

(c) ☐ **Single** or **Married filing separately**
☐ **Married filing jointly** or **Qualifying surviving spouse**
☐ **Head of household** (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at *www.irs.gov/W4App*.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at *www.irs.gov/W4App* for most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate . . . . . ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits

If your total income will be $200,000 or less ($400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by $2,000 $ _____

Multiply the number of other dependents by $500 . . . . . $ _____

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here . . . . . **3** $

Step 4 (optional): Other Adjustments

(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income . . . . . **4(a)** $

(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here . . . . . **4(b)** $

(c) Extra withholding. Enter any additional tax you want withheld each **pay period** . . **4(c)** $

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Employee's signature (This form is not valid unless you sign it.) _____ **Date** _____

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2024 if you meet both of the following conditions: you had no federal income tax liability in 2023 **and** you expect to have no federal income tax liability in 2024. You had no federal income tax liability in 2023 if (1) your total tax on line 24 on your 2023 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2024 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2025.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Expect to work only part of the year;

2. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

3. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c).** The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. *Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.*

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than $120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . . **1** $

2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . **2a** $

b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b . . . . . **2b** $

c Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . **2c** $

3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. **3**

4 **Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) . . . . . **4** $

Step 4(b)—Deductions Worksheet *(Keep for your records.)*

1 Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to $10,000), and medical expenses in excess of 7.5% of your income . . . . . **1** $

2 Enter:
- $29,200 if you're married filing jointly or a qualifying surviving spouse
- $21,900 if you're head of household
- $14,600 if you're single or married filing separately

. . . . . **2** $

3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" . . . . . **3** $

4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information . . . . **4** $

5 **Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 . . . . . **5** $

MEDICAID PROVIDER AGREEMENT

.

This agreement is made on _____ between Macomb County Community Mental Health Services (MCCMHS) and _____ ("Medicaid Provider"). The purpose of this agreement is to define the roles and responsibilities of the above named parties. This agreement shall remain in effect until such time as it is terminated or modified. Any party can initiate a termination or modification by providing written notice to the other of the desire to terminate or modify this agreement.

Upon receipt of this agreement, MCCMHS will certify the Medicaid Provider as available to provide services to individuals who receive services and/or supports in accordance with their individual plans of services and supports developed in a person-centered planning process, authorized by MCCMHS or one of its contractors, and financed through Michigan's Medicaid Specialty Pre-paid Mental Health Plan.

The Medicaid Provider stipulates that it agrees to the following:

1. To keep any records required by the participant or MCCMHS regarding the services provided to participants and to provide such information and any related invoices or billings, upon request, to the participant, MCCMHS, the state Medicaid Agency, the Secretary of the Department of Health and Human Services or the state Medicaid fraud control unit.

2. To comply with the ownership disclosure requirements specified in 42 CFR 455, subpart B, as applicable.

3. To comply with intent of the advance directive requirements specified in 42 CFR 489, Subpart I and 42 CFR 417.436 (d), as applicable, by finding out if a participant has an advance directive to refuse life-sustaining medical treatment, and informing the participant, before the provider starts work, whether or not the provider will carry out that advance directive so the participant can make an informed choice during the hiring process.

Both parties expressly acknowledge that the sole purpose of this agreement is to assure compliance with 42 USC 1902 (a) 27. Further, both parties recognize and reaffirm that MCCMHS is not the employer of the Medicaid Provider, and that the participant is the sole employer of the Medicaid Provider.

This agreement sets forth the entire understanding between the parties with respect to the subject matters, and supersedes any and all other agreements, either oral or in writing between the parties pertaining to these matters. No change or modification of the terms of this agreement is valid unless it is in writing and signed by the parties.

What is the Skylight PayOptions Program?

The Skylight PayOptions Program provides you with a safe and convenient alternative to cash and traditional paper paychecks. Your money is direct deposited into an account at BofI Federal Bank, Member FDIC, and can be accessed either through your Skylight ONE® Visa® Prepaid Card or Skylight ONE® Prepaid MasterCard®, or by using a Skylight Check to withdraw all of the cash from your Skylight Account.

Where can I use my Skylight ONE Card?

Your Skylight ONE® Card can be used at millions of ATMs to withdraw cash, and anywhere Visa debit cards or Debit MasterCard (based on the logo on the front of your card) are accepted for purchases, such as supermarkets and other retail locations.

What are Skylight Checks and how can I use them?

If you prefer, you can use Skylight Checks to write your own paycheck! Each payday, whether you're at work, at home, or on vacation, you can use a Skylight Check to withdraw all of the cash from your Skylight Account. Skylight Checks can be cashed free of charge at all U.S. Bank branch locations, at participating Walmart locations, and at participating ACE Cash Express locations.[1] You will receive 2 checks in your new account packet. Order additional checks at no cost by calling Customer Service at the number on the back of your card.

What does the Skylight PayOptions Program cost?

There is no cost to sign up and there are many ways to access your wages for free. Some fees may apply based on how you use your Skylight Account. You will receive a fee schedule with your new account packet.

Will I get a new card each payday?

No. Once you are enrolled in the program, you'll automatically receive a personalized Skylight ONE Card. Your pay will be added to the card by 8 a.m. CT each payday. If you accidentally lose the card, just give Skylight a call to request a replacement. Your first replacement card per year is available at no additional cost.[2]

My Skylight ONE Card doesn't have my name on it. Can I still use it to make purchases?

Yes. The first card you receive is a temporary card but it can be used to make signature-based purchases in restaurants, stores, online, and by phone anywhere Visa debit cards or Debit MasterCard are accepted.[3] Once you are enrolled in the program, a card with your name on it will automatically be sent to your mailing address.

Can I request more than one card?

You can add an additional cardholder to your account simply by calling the number on the back of your card.[2,3]

What happens if I lose my card?

When you lose cash, your money is gone. If you lose your card, contact Skylight immediately so your lost card can be cancelled and your money stays safe.[4] When you call, you can ask that a replacement card be sent to you. Your first replacement card per year is available at no additional cost.[2]

First Aid & CPR

Effective March 1, 2019, the MCCMH Training Department will no longer provide First Aid and CPR to the MCCMH Provider Network. Therefore providers will need to obtain their training from other appropriate sources.

In person (hands on) skills demonstration monitored by a certified instructor for certification in First Aid and CPR is required. Examples of entities that fulfill this requirement within their established fidelity are American Heart Association, American Red Cross, EMS Safety, and American Safety & Health Institute. Training opportunities can be found on these entities websites. Blended training options that incorporate online content training along with in person skills demonstration in front of a certified trainer for certification will be accepted. Any training option that does not include in person skills demonstrations will not be accepted.

American Red Cross CPR/FA training formats that can be utilized are:

1) **In Person:** Led by knowledgeable instructors, our in-person courses combine lecture with hands-on skills sessions. Perfect for those who learn best in a traditional classroom setting, our in-person classes give you ample time to ask questions and become comfortable with the latest techniques.
2) **Simulation Learning:** Using a combination of self-paced, interactive online CPR classes and in-class skill sessions, our groundbreaking Simulation Learning courses give you the ability to train on your schedule, and demonstrate your skills to a certified instructor.

American Heart Association formats that can be utilized are:

1) **100% Classroom Training**: Live in person training provided within a classroom setting. This includes in person skills demonstration for certification in front of a certified AHA First Aid and CPR instructor.
2) **Blended Learning**: Which combines online learning with hands on session and in person skills demonstration for certification in front of a certified AHA First Aid and CPR instructor.
